

HISTORICAL SOCIETY THANK YOU

January 2009

Dear CERT team,

Thanks so much for putting a tree in the Festival of Trees. We really appreciated your support.

It was good to get your name out there! Little did we know what was in store for the following week.

On behalf of Rutland Historical - thank you so very much for all you did for our community during the ice storm.

I've heard so many wonderful stories of your dedication and efforts. **THANK YOU!**

Please join us next year with your tree. We'd love to have you. Thanks for all you did and are doing for our town.

Anne Davis
