## Spring 2010 Boating Classes

### **“About Boating Safely”**

This basic boating course is designed for students age 16 through adult.

Class meets requirements of all states that mandate boater education.

**Topics include:** types of boats, boating laws, required safety equipment, navigation on the water, boating issues, and trailering.

Junior Operator certificate test available.

**3 One-day classes:** Saturdays, March 20th or April 10th or May 15<sup>th</sup>

**Time:** 8:00am-4:00pm and **only one day attendance is required.**

**Location:** Stoddard Army Reserve Bldg, 25 Lake Ave, Worcester, MA

**Cost:** \$45.00 includes text, testing and certificate of completion

### **“Boating Skills and Seamanship”**

This course is designed for both the novice and experienced boater.

**Topics include:** which boat is for you, boating equipment, trailering and handling your boat, “highway” signs on the water, rules you must follow when on water, powering your boat, lines and knots, radios, and navigation.

**8 session class:** Thursdays, Mar 4 - Apr 22nd.

**Time:** 7-9:00 pm

**Location:** Worcester Technology School, Skyline Drive, Worcester, MA

**Cost:** \$55 includes text, testing and certificate of completion

*Many insurance companies will discount boating insurance to boaters who complete the above classes.*
